INTRODUCTION

COWBOY SNAKE is a game inspired by Snake game, that each player will control their own snake to eat food that appears around and fight with snakes controlled by other players around the world. Players only need to control their snake with the pointer and a click each time they want to speed up. Simple operation that anyone can play.

In addition to highly entertaining and training acumen for players, **COWBOY SNAKE** is also a game for you to collect for **GRIM** - a type of Snake Gem - and the NFT items (Non-fungible token). The NFT items that players hunt are fully owned by them. This is considered a reward for your contributions to the ecosystem. This model is called "Play To Earn".

What makes Cowboy Snake different is that players will earn a variety of in-game rewards, including Tokens, NFTs items, as well as products and services... with which Cowboy Snake collaborates.

KINDS OF SNAKE NFTS

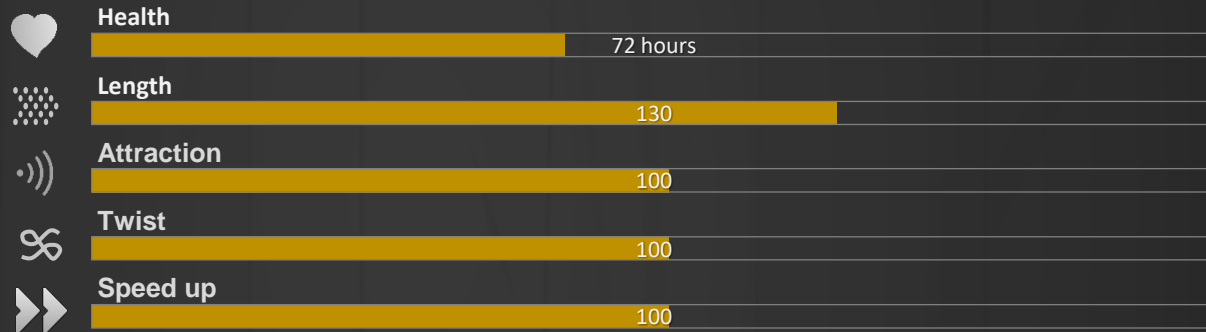

Snakes in the game are encrypted as NFT (Non-fungible token) on the platform of BNB Smart Chain with a maximum total of only 37,500,000 and as ERC721 on the Ethereum blockchain.

NAGA

Total supply is 20,000,000. Naga has the signature color of the green planet and basic strength indexes.

Number of Mystery BOX per day 1

HYDRA

Total supply is 10,000,000. Hydra has the signature color of the planets in the solar system and basic strength indexes.

Number of Mystery BOX per day **3**

LORD

Total supply is 5,000,000. Lord has a unique color and outstanding strength indexes.

Number of Mystery BOX per day

7

SHENRON

Total supply is only 2,500,000. Shenron is a combination of the Four Holy Beasts and has the strongest strength indexes of the four snakes.

Number of Mystery BOX per day 15

UNICORN EGG

You will receive 1 of 4 types of Snake NFTs when hatching the Unicorn Egg.

Unicorn Egg Specifications:

- **Total supply: 37,500,000**
- **NFT Encryption : ERC 1155**
- INO round 1: 200 (Sold out)
- INO round 2: update later
- INO round 3: update later

The only way to get more snakes on the market is that you need to open the Unicorn Egg to have the new Snake NFTs.

How to get Unicorn Egg in the game?

1. Open Mystery BOX
2. Collect the similar Egg Pieces and make Egg combination

EGG PIECE NFTS

Up to 40 different Egg Piece patterns are available. During the PvE Mainnet phase, 16 patterns will be released.

Players need to collect from 5 to 20 similar Egg pieces to merge an Egg. If successful, you will get 1 Unicorn Egg.

Number of Egg pieces	Success rate	Fail Egg merging
5	15%	Lose 1 Egg Piece
10	35%	Lose 2 Egg Pieces
15	60%	Lose 3 Egg Pieces
20	90%	Lose 4 Egg Pieces

HAT NFTS

Snake will get a huge amount of power with each Hat NFT. Hat NFTs are divided into a variety of styles and models. The Hat NFT's price is determined by the index and market demand.

Specifications of Hat NFT: ERC 1155

Kind of Hat NFT	+ Length	+ Attraction	+ Twist	+ Speed up
Cowboy	+5	+2	+1	+10
Knight	+30	+2	+2	+2
Witch	+2	+5	+20	+3
Noble	+2	+20	+2	+2
+	+	+	+	+

❖ The above figures are only samples. The indexes for the various Hats will be more richer.

ELIXIR

Elixir potions are used in in-game activities. The effect of Elixir

- **Feed the snakes**
- **Snake recovery when frozen**
- Increase luck when opening BOX (coming soon)
- Increase luck when shuffling eggs (coming soon)
- Egg Breaking Energy (coming soon)

HOW TO EARN

How do players make money?

There will be many gameplay modes for you to choose from in the game. Cowboy Snake, in particular, features a Play as Guest that allows you to get a good understanding of the game before playing in Play To Earn in other modes.

Play as Guest

Free trial mode - You can play anywhere and anytime without an Internet connection.

PvE Challenge Room

You will fight with smart AI snakes in the playroom to complete missions and get rewards such as GRIM, MYSTERY BOX

PvP Survival Room

You'll compete against other Snakers for the top position on the weekly leaderboard and be shared the huge rewards. In this mode, you may also take other Snaker's items.

TvT Team vs Team

Team Battle Mode
You may create your own Guild and compete against others. Guilds will compete in regional, national, and worldwide tournaments for significant rewards.

How do players make money?

Reward in PvE mode: You may earn GRIM that appear everywhere in the room and complete quests to earn MYSTERY BOX, each of which will randomly unlock one of the following items:

- 999 to 9999 GRIM
- 1 to 10 Egg Piece
- 1 Unicorn Egg
- 1 Hat NFT
- 1 Elixir

How to get MYSTERY BOX: You need to kill the other snakes in the challenge room and eat the required amount of food. Then the Dragon Boss will appear, you need to kill Boss for MYSTERY BOX to appear. Get MYSTERY BOX and move to your snake nest to save the achievements in **WAREHOUSE** on your account.

Brand

Unlimited variety of rewards model

What sets COWBOY SNAKE apart from the rest of the GameFi market is that players have the opportunity to win a variety of rewards that come from outside the Cowboy Snake ecosystem.

The open model of the game will make it easy for COWBOY SNAKE to collaborate with Crypto projects, NFTs, other traditional products and services to bring their tokens into the game. This will help partners increase the popularity of the brand, and help the community of players have more diverse rewards when playing the game.

PvP

Survival Room

How do players make money?

Snakers will hunt for G-RIM and food that appear across the room, and fight with each other for **the Top position on weekly leaderboard to receive huge reward from TREASURE.**

Besides, Dragon BOSS will also regularly appear in the room, you must compete with other Snakers to kill the BOSS and take the MYSTERY BOX.

Snake nest will appear when you complete the required quests. And you need to move to the nest to save the achievements before being killed by the opponent and they will take your achievements.

Ranking board competition PvP

Compete for the top positions on the weekly leaderboards to be shared the rewards from the in-game **TREASURES**. The size of the treasures are based on the number of players. The more players, the bigger the treasures

The G-RIM that hasn't been earned by the Snakers in the rooms is the TREASURE. All will be added to the TREASURE so that the reward may be divided appropriately.

Treasure allocation rate

- Rewards for the following week
- Burned
- RIM Holders Reward
- Rewards for the ranking board

ANTI-INFLATION

The entrance fees of all PvE players will be put into the Pool to be reallocated to each player in each reward token spawn cycle.

TvT

Team vs Team

How do players make money?

You can create your own Guild and recruit more members and then challenge other Guilds

The specified challenge mechanism

We'll set up the battle rooms with all of the required specifications. In the same room, 2 Guilds will compete against one other.

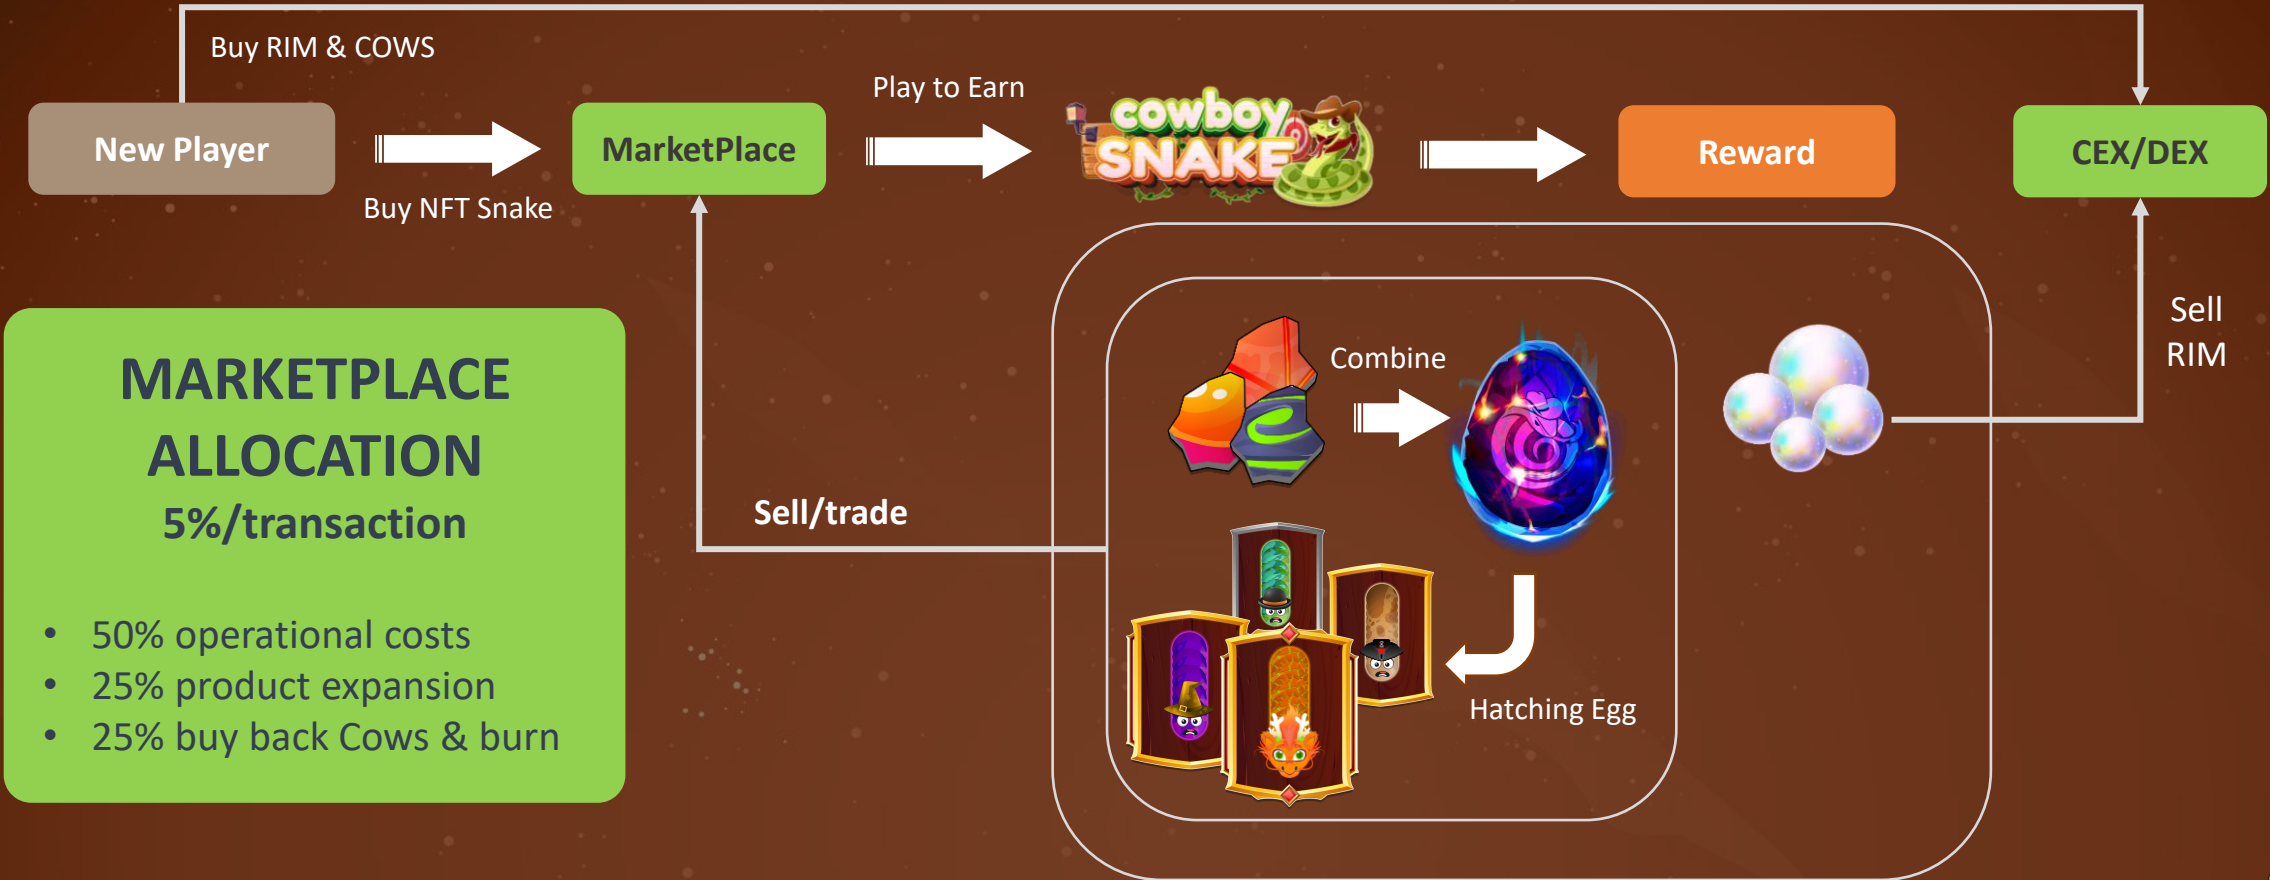

Random challenge mechanism

The challenge Guild will set the specified standards manually before posting it on the community challenge board. According to the challenger Guild requirements, the Guild accepting the challenge will deposit the required amount of tokens. The two teams meet at the appointed time and compete against each other. The winning team will get 99% of the bet tokens from the losing team.

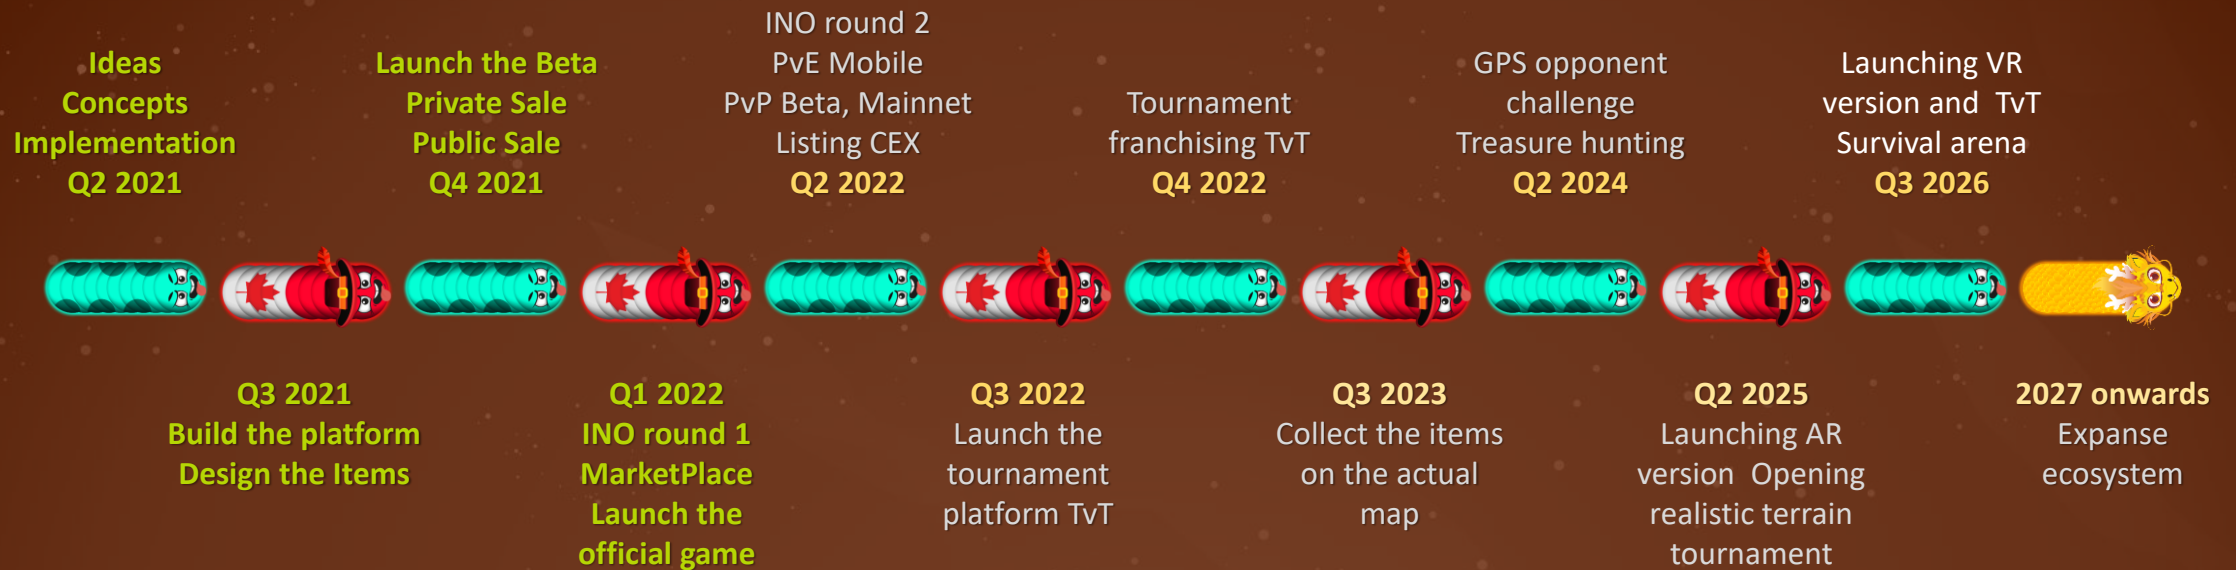

Tournaments will also be organized on a monthly, quarterly, and yearly basis to decide the World Champion team and award deserving rewards.

COWS TOKEN

COWBOY SNAKE (COWS) is a token (BEP20) on Binance Smart Chain (BSC) This is Cowboy Snake Game's foundation token, and it's the primary means of exchange on MarketPlace.

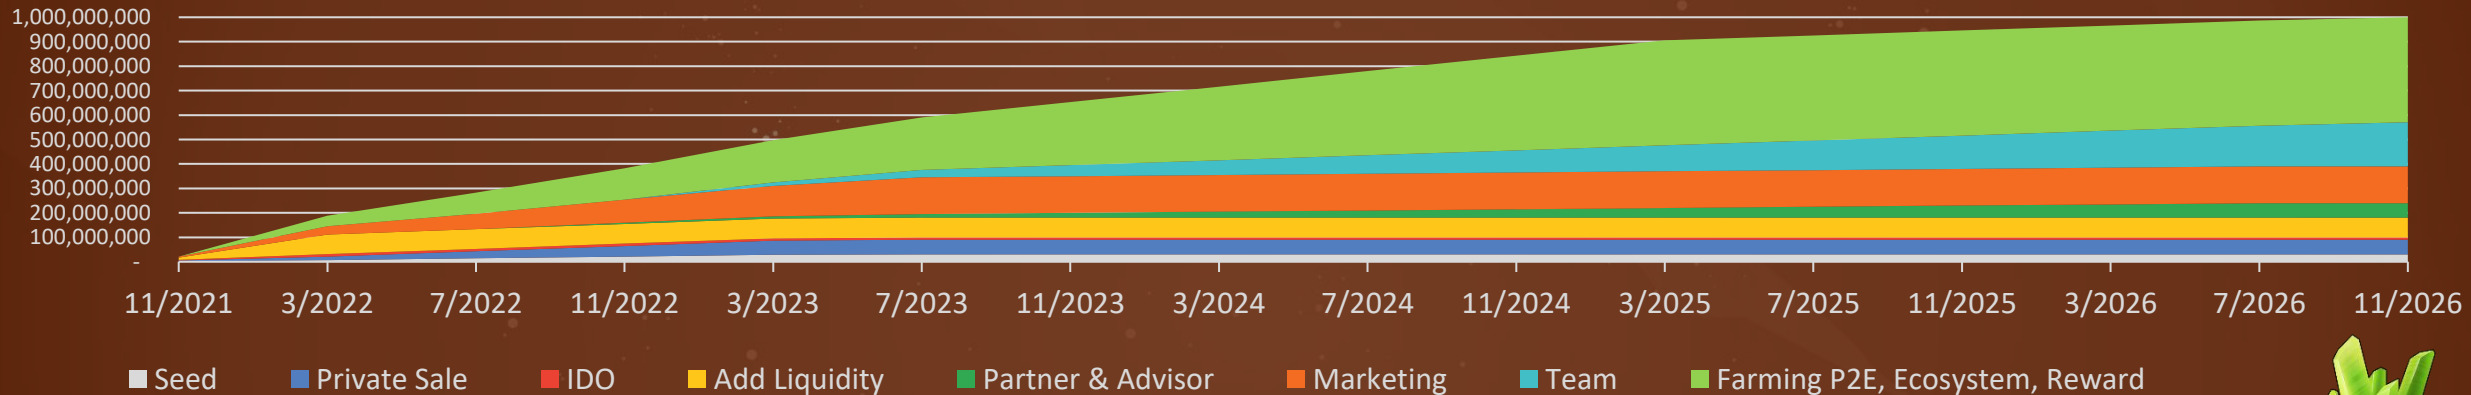

APPLICATIONS OF COWS

- ✓ **Buy items:** COWS is used to purchase NFT items on Marketplace
- ✓ **Join the tournaments:** When joining Team vs Team (TvT) tournaments, teams need COWS for joining fee and betting fee (if any)
- ✓ **Farming:** COWS holders can farm to get rewards
- ✓ **Certification of shareholder's rights** to vote in critical decisions. In the future, we want to empower the community. Of course this will be implemented gradually as the community gets bigger and bigger.
- ✓ **Speciality:** COWS holders on Binance Smart Chain wallet will receive RIM, this is a reward when Snakers claim RIM. 25% transaction fee of RIM will be shared for COWS holders.

RIM TOKEN

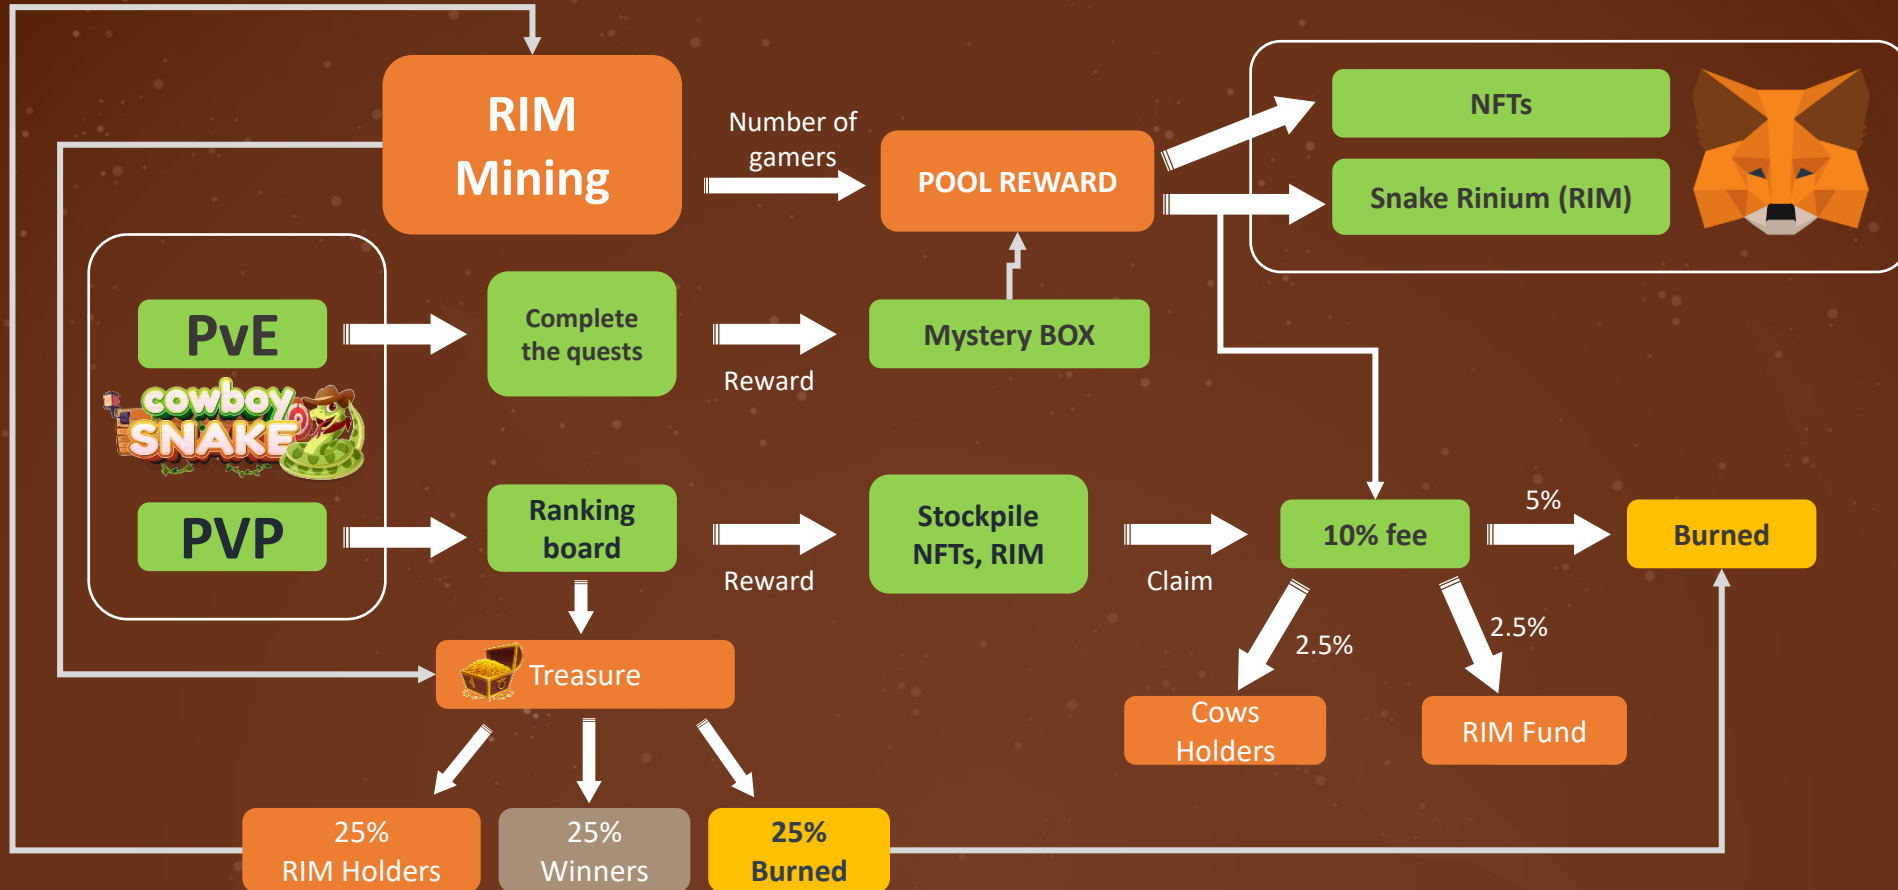

Snake Rinium Token (RIM) is a token (BEP20) used for rewards for Cowboy Snake players. RIM holders can get weekly reward from the treasure exploited in the game.

What is RIM used for?

- ✓ **Hatch the egg:** The fee is 5 BUSD per time
- ✓ **Egg combination:** The fee is 1 BUSD per time
- ✓ **Entrance fee:** Each turn, players need a small amount of RIM to participate in the mortal combat room
- ✓ **Food for snakes:** If the play turn is over, the snake can't get 5,000 points, it will automatically consume an amount of RIM equivalent to 0.1 BUSD/hour. This consumption will be displayed on the player's account
- ✓ Hold RIM and get weekly Airdrop rewards from 25% in-game transaction fees

MINING PROCESS

MINING RATE

RIM mined on the gaming platform will convert at a ratio of 1:0.9. The platform will automatically collect 0.1 and allocate as follows :

- ✓ **50% Burn off**
- ✓ **25% Rewards for COWS Holders bases on the holding rate on Binance Smart Chain**
- ✓ **25% Operational Expenses**

The quantity of RIM mined **will be decreased 30%** to increase the difficulty and decrease the rate of inflation in the market.
